SEPTEMBER 15 PROGRAM REPORT

Mark Herman was the guest artist at the chapter's September meeting at the Markworth Residence. Mark is one of the most sought after artist and RCTOS was fortunate that he was able to perform a concert for RCTOS. Mark played a fabulous program. One of the highlights was his version of the Flying Theme from ET. He also took 25 requests from the audience and combined the selections in a montage, very unique and wonderful. Unfortunately, Mark was sold out of his latest CD, but you can peruse his website and order online. Thanks to Bob Markworth for always securing the best theatre pipe organists to perform for our chapter.
